

Prophecy

February 19, 2014

*My son,  
You asked Me to explain My return to the tomb on Easter morning  
Before I arose to the Heavenly Temple.*

*My blood is My own.  
It is eternal. Life is in My blood.  
Satan has never been given authority over life – over blood.  
He can cause blood to be spilled – separating body and spirit –  
But the blood has life in it, glory in it.  
Life belongs to the Father.  
He gave it to Adam as a gift. He gave the earth also as a gift.  
But He only gave Adam authority over the earth –not over life – not over blood.*

*My blood had to be separated from My body  
so that My body could die.  
So long as life was within Me, death could not come.  
No one had authority to take My blood from Me.  
I could not be touched by Satan's murderous minions in the way that others could, simply  
because My obedience to the Father left no opening for sin to enter and death to enter by sin.  
I could not be touched until the separation of My body from My blood had begun.*

*When I accepted the Cup of Suffering, the Cup of Trembling,  
in the Garden,  
I offered My blood.  
I sweat great drops of blood by choice.  
The horrors of the cup did traumatize My flesh  
But I chose to release My blood to the earth – and so it began.*

*The guards who arrested Me spilled My blood.  
The Roman garrison spilled My blood at the scourging.  
My blood spilled on the road to Golgotha.  
My blood spilled on My tormentors.*

*Like a lamb for slaughter I was raised up  
so that My blood could be drained from Me  
as was prescribed in the Laws of Leviticus.  
Flesh is not to be offered or consumed with the blood still in it.*

*When I said "It is finished" the draining was complete.  
Longinus pierced My side to complete the draining  
– blood and water flowed – cleansing the last drops from My body and sending them to the  
earth.*

*The earth itself became the Ark of the Covenant  
upon which I poured My blood.  
It was a defiled Ark.  
It had to first be cleansed before the blood could be offered.  
My own blood cleansed it.*

*As My body lay in the grave  
And as My spirit suffered torments in Hell  
My blood was cleansing the earth.  
It reacted as a catalyst does. It transformed the earth.  
Made it holy once more – made it blessed, golden, eternal,  
Part of the Heavenly realm once again.*

*My blood drew the earth out of darkness once again –  
Just as it had on the first day of creation -  
Light had come to remove the darkness.  
So the light of the eternal glorious presence of the Father  
came, by My blood,  
To restore light and joy to the earth.  
My blood laid claim to the entire earth.*

*Once the prescribed time for cleansing had been completed  
Then the blood I offered on the altar of the earth, Ark of the Covenant,  
was accepted for the temporal atonement of sin.  
It was accepted within time, temporarily,  
Just as the sacrifice in the Temple (in Jerusalem)  
Achieved temporary cleansing and reconciliation.*

*When this offering was accepted  
the Holy Spirit came into Hell for Me  
To rescue the Holy One from the unholy place.  
He shattered the gates and authority of Hell over sin and death  
Those gates can never be repaired.*

*I went to Paradise to proclaim the Acceptable Year of the Lord  
To My covenant friends there.  
I brought them with Me – in My train of the spoils of My conquest of Hell –an acceptable  
offering to enter with  
into the presence of the Eternal King  
My Father.*

*As I arose up through the earth I sang a new song to the earth.  
I sang it to My blood.  
I declared My New Name, the name given to Me by My Father  
Now that I was become new.  
I sang the new song to My blood  
which the Saints sing in Heaven even now.*

*I called My blood from the north, south, east and west.  
I lifted up an emblem.  
I drew My blood back to Me and I carried it up to Heaven with Me  
In the Cup which had held suffering and trembling  
and all the horrors of sin  
Which I had drained completely.*

*I acted as High Priest for all who would be My sisters and brothers.  
I had to do that on the earth  
because only there was the High Priest given authority by the Word.*

*When Mary saw Me and I said “Do not touch Me.”  
I spoke as High Priest.  
I could not be defiled while I enacted the offering of My blood  
Prescribed in the Word for the total remission of sins.*

*Once I had collected the blood I had offered on earth  
I carried it into Heaven  
First cleansing the utensils of the Heavenly Temple with My blood.  
Even there, the defilement of sin had reached.  
Then I poured out My blood on the Mercy-seat in the Holiest of Holies in Heaven.*

*It was accepted by the Father  
for the absolute remission and annihilation of sin.  
I am the Lord.  
I have spoken.*
