

## **The Mystery of Death (Salvation in Hell p 106)**

**Prophecy                      September 26,1997**

***I would speak to you concerning death  
Many have called it a mystery but they do not know My word  
Death is a gate, which leads from life,  
wherein there is the possibility of repentance  
to hell where the right/possibility of choice is taken away.  
It requires a dispensation of My grace to restore this right of choice to the dead.  
It is this grace for which the Church must pray.***

***I release the grace of repentance in hell,  
just as I release the outpouring of repentance/revival among the living  
in response to the prayers, sacrifices and seeds of My Church.***

***Death is a doorway, a gate  
Its lock was broken by My Son  
Death has no power over the anointing.***

***If My Church is to clean her garment  
then she must not only join in My mission to the living world  
She must also not neglect those who have passed through the gate already.  
The communion of saints awaits the call of the Church to release their prayers.  
They are powerful intercessors  
but they must be asked/invoked, released in heaven, by the Church.  
Teach the Church to call for these re-enforcements.  
It is a wise general who uses all of his troops.***

***This is a difficult revelation.  
The Church Triumphant (communion of saints) has been identified with spiritism  
But that is only the counterfeit  
It is not necessary to call upon the name  
of a specific member of the Church Triumphant.  
It is good to have heroes of the faith  
but what the Church needs at this hour is a heavenly army of saints***

***The Church Triumphant is released to pray:  
by the word, by repentance, by acts of mortification and acts of reconciliation.  
The covenant meal/ communion/ Eucharist, is the key to these activities  
It is the covenant, which identifies believers as having the right  
to release grace for repentance  
and to release the prayers of the Church Triumphant***

***Whenever you pray, ask the communion of saints to join with you  
Whenever you celebrate the covenant meal  
speak the release of grace for repentance in hell.  
I know this seems strange to you and confusing  
It will be difficult to separate what I am releasing to you from religious practises.  
It will be resisted by those who have rejected religion.***

***I have work for My Church in heaven,  
to join with the Church on earth in prayer and intercession  
I have work for those in Purgatory, repentance  
I have work for the Church on earth,  
to speak in My authority and command on earth, release in heaven,***

***binding in hell and now the release of the grace of repentance into hell.***

***Those who died in Christ - pray for the living  
Those who live for Christ may pray for those in Purgatory  
and for grace to be released in hell  
that the damned may choose salvation and repentance  
The damned may not pray. Their work is only suffering,  
(receiving the full action of their own words and decisions upon their souls.)  
the just consequence of the sin of Adam***

***I am expanding the mission field of My Church  
She must pray for all souls  
Until now, hells gates have seemed closed to her  
but now I declare them to be broken down and opened.***

***Take this message to My Church  
Those who have ears to hear what the Spirit is saying to the churches will hear.  
My Holy Spirit will teach the fullness of this revelation to the Church  
Your job is to release it into the body***

***Do not wonder or question the withholding of this revelation.  
It has been sealed until this time.  
Your job as prophet is to hear, to act and to speak what you hear.***

***I am the Lord  
Salvation is of Me  
Keep that in mind  
I am the Lord  
I have spoken.***
